Australian Qualifications Training Framework Approved (AQTF A)

“In every community, there is work to be done. In every nation, there are wounds to heal. In every heart, there is the power to do it.”

Marianne Williamson

The Advanced Diploma in Community Services expands on concepts introduced in the Certificate 4 and Diploma Courses as well as;

- Completely understanding the cycles the mind goes through as it searches for solutions to our problems,
- How to work with the mind, rather than struggle against it.
- Learn to identify the consistent, predictable patterns in the physical, mental, emotional, and natural worlds
- Understand and identify patterns in the ways of the material world - wealth, money, finance, inner and outer wealth
- Intuition, what it is and how it works, how to expand and trust it.
- Bringing all these concepts together in the physical everyday world
