WOMEN'S WORKSHOP

"Within every woman there lives a powerful force, filled with good instincts, passionate creativity and ageless knowing" - Clarissa Pinkola Estes

This is a sacred event, celebrated only once a year.

It is a gathering of women of all ages who join together to share wisdom and listen to one another's stories with compassion rather than judgment.

We come to support one another in healing old and new wounds.

Throughout the weekend, Gayle O'Brien, Noala Davis and Kathy Larkin, along with other trained facilitators guide the group through a series of gentle, nurturing, unfolding processes. It is a weekend of joy, tears, laughter, sadness and sacred community.

We leave renewed and replenished. Joyful in the knowledge that we are not alone but we are members of a strong and powerful line of creative wise women.
